Dear Senior Parent/Guardian:

My name is Mallory Huffman; I am the North Baltimore Yearbook adviser. I am getting in touch regarding senior materials for the yearbook.

First, congratulations on your child's upcoming graduation!

Seniors are requested to supply both a senior portrait and a baby picture for the senior section yearbook. Senior portraits do not have to be professional photos: they can be any school appropriate photo of your senior! Please submit both pictures as soon as possible. The latest date we can accept photos is May 1<sup>st</sup>, 2022, but we would appreciate the photos as soon as you are able to provide them. Pictures can either be mailed or emailed (email is preferred if possible). If mailing pictures, please make sure your name and address are written on the back of the pictures to ensure return. Please send mailed photos to the address above. If emailing pictures, please make sure the pictures have a resolution of at least 350 ppi so they are not blurry when uploaded. Please email pictures to [mhuffman@nbls.org](mailto:mhuffman@nbls.org).

Yearbooks can be ordered at [Jostens.com](http://Jostens.com). There is a direct link on the school website ([www.nbls.org](http://www.nbls.org)) if you scroll all the way down to the bottom.

Senior parents also have the opportunity to design and purchase a recognition ad for their child. Recognition ads allow you to upload specific photos and a message for your child to commemorate them and their accomplishments in the yearbook. Please see the back of this sheet for examples of past recognition ads. They are available in a variety of sizes and designs, are customizable, and start at just \$10. Recognition ads can also be ordered at [Jostens.com](http://Jostens.com). Follow the same prompts to purchase a yearbook, and you will see a box below "Yearbook" titled "Recognition Ads" that will allow you to upload and design a recognition ad for your child.

Please don't hesitate to reach out with questions! Thank you for your help!

Sincerely,

Mallory Huffman
